

The journey of a construction project for your business, can be fraught with frustration, hesitation, and second-guessing. The success of a project begins with the completion of an Action Plan - a 'TO-DO LIST' of Tasks derived from answers to important questions

PRE-DESIGN SERVICES
FOR
COMMERCIAL PROJECTS

THA Work-Flow-Process

In addition to the completion of the **Discover and Review of Options™** the questions in the Workbook contribute additional information to help you be pro-active in the decision-making process as to how your money is spent.

Selecting the Project Team and Recommendations
to Consider before Starting the Journey.

The number of decisions can vary depending on your participation. Either way, all phases of the project require decisions to ensure a positive, memorable journey helping us help you **'Live in the Reality of your Dream's Vision'™**

The bus is ready to leave, let us guide you through the journey.
